Why Vaření.cz?

Vaření.cz is one of the most visited websites about cooking with the most extensive database of recipes.

Vaření.cz is created by users themselves. They simply register and they can immediately start adding recipes, have discussions with others, compile their own cookbooks or save recipes for later. The website is also attractive to other visitors: they can select whether to choose from more than 47 thousand recipes or to make a selection based on their tastes and preferences. Besides classic recipes, the website also offers video-recipes to its visitors, interesting articles, practical advice and all sorts of cooking tips.

Main web sections

Recipes	A simple option to search for recipes. The readers decide which ingredients they want to use or what they'd like to eat at the moment based on what kind of food they wish to prepare.
Photo-recipes	Step-by-step instructions. On top of that, the recipe contains detailed and descriptive photos of each step.
Cookbooks	A selection of top cookbooks from Vaření.cz users. Either by the most successful chefs, or based on readership or ones own preference. Everyone finds what they are looking for.
Magazine	Articles with practical advice, tips or a glossary.

167 thousand
