WE GO DEEP SO YOU CAN AIM HIGHER

Ekonom

Ekonom is published every Thursday.
web: www.ekonom.cz

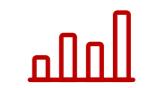

Ekonom is the most widely-read economic weekly journal on the Czech market. It provides you with the information you need to navigate today's complex world.

The investment section provides essential information from the capital markets, technology articles report news from the world of science and technology, while the lifestyle section focuses on selfeducation and personal development.

The business calendar presents an overview of the most important things that will happen in the economy and the business world in the coming week.

Ekonom provides objective information for decision makers, managers, investors, and public administration representatives

At the end of each year, the weekly Ekonom publishes a special issue, in which its editorial office together with other leading authors of the media house Economia present what is most important the following year in the world of politics, economics, business, law and technology.
